ORDER:

In the reference 1st read above, the Joint Secretary, Government of India, MoF,AH&D, New Delhi has stated that, new Livestock Health & Disease Control (LH&DC) scheme has been approved by the National Steering Committee and the scheme guidelines have been approved in the Empowered Committee held under the chairmanship of Secretary, Department of Animal Husbandry and Dairying, GOI.

2. In the circumstances stated by the Director of Animal Husbandry, Andhra Pradesh, Vijayawada in his letter 2nd read above, Government after careful consideration hereby constitutes "State Monitoring Unit (SMU) & District Monitoring Units (DMU's) with the following members for implementation of the new Livestock Health & Disease Control (LH&DC) scheme in the state of Andhra Pradesh as per the LH&DC guidelines approved by the Government of India in the reference 1st read above.

State Monitoring Unit (SMU) for LH&DC:

S. No.	Designation	Department	Position
1	Special Chief Secretary to Govt.	AHDD&F	Chairperson
2	Chief Executive Officer	APLDA	Member
3	Joint Secretary	AHDD&F	Member
4	Additional Director (Health)	Animal Husbandry Dept.	Member
5	Associate Dean	College of Veterinary Science, Gannavaram	Member
6	Joint Director (VBRI)	Animal Husbandry Dept.	Member
7	Senior Joint Director from district	Animal Husbandry Dept.	Member
8	Director	Animal Husbandry Dept.	Member Secretary

the following are the functions of State Monitoring Unit (SMU):

- SMU shall monitor and review progress and performance of all activities of the scheme. Chairperson of SMU is empowered to approve the Annual Action Plans submitted by the State Government and forward them to the Central Government for sanction/ release of funds.
- SMU shall oversee and finalize the process related with scheduling the vaccination and other logistics required for vaccination and ensure that all vaccine doses and logistics are available before the start of the vaccination schedule.

(P.T.O)

- ❖ SMU will ensure arranging for accessories, logistics, cold chain continuity of vaccines, trained manpower, awareness creation, ensure diagnostic facilities at all laboratories engaged in the sero-monitoring/ surveillance work, regulate movement of animals wherever required, liaison with concerned ICAR laboratories / ICAR-NIVEDI, etc., for sero-monitoring/ surveillance.
- ❖ SMU shall evaluate impact of programme and constant review of the progress of project, SMU shall submit the vaccination/ ear-tagging daily reports and any other progress report of vaccination to GOI as per prescribed format.
- ❖ SMU shall ensure recording details of vaccinated animals and informing such vaccination to animal owners.
- ❖ SMU shall ensure strict compliance of the provisions under Prevention and Control of Infectious and Contagious Diseases of Animals Act, 2009 and rules thereunder, either notified by Central Government or framed by the State Governments as empowered by the various provisions of the Act for effective implementation of the disease control programme.

District Monitoring Unit (DMU) for LH&DC:

S. No.	Designation	Position
1	Collector & District Magistrate	Chairman
2	Joint Collector (R&RB)	Member
	Chief Executive officer (ZP)	Member
3	District Medical & Health officer	Member
4	Deputy Transport Commissioner	Member
5	Deputy Director, Veterinary Poly Clinic	Member
6	Deputy Director/Assistant Director (RADDL/ADDL)	Member
7	Joint Director (AH)	Member Convener

The following are the functions of DMU:

- ❖ The DMU, as the main executive unit in the entire implementation programme in the district, shall be responsible and ensure that required vaccines and requisite logistics for vaccination including manpower for vaccination, accessories, cold chain infrastructure, vaccine carriers are in place well before the start of the vaccination programme; ensure execution of vaccination in the entire district as per schedule and prescribed procedures, collection of sera samples for sero-monitoring, to ensure vaccinated animals to be registered in INAPH animal health module database, animal identification and documentation.
- ❖ DMU shall investigate any suspected outbreak and arrange to send specimens for laboratory confirmation, training of staff engaged in vaccination / programme well before the start of the programme and should prepare calendar of operation with the help of District Animal Husbandry Officer and Block Officers.
- ❖ DMU shall ensure mass education/awareness campaign on PPR amongst livestock farmers emphasizing on the economic impact of the diseases and benefits likely to accrue due to preventive vaccination of their animals as well as reporting the disease timely in case of its suspicion/occurrence in the district.

Contd...

- ❖ DMU shall compile epidemiological information and data of vaccination programme and various reports and submit to SMU as per the schedule. DMU with the help of District Polyclinic shall co-ordinate with respective Disease Investigation Laboratories to send suitable samples of suspected material, collect vaccination sera samples for sero-monitoring, wherever required etc.

4. Government also hereby approve the following strategy for implementation of new Livestock Health & Disease Control (LH&DC) scheme in the State.

a) The Department of Animal Husbandry will act as State Implementing Agency (SIA).

b) The Annual Action Plans shall be prepared and forwarded to Government of India for sanction/release of funds covering the following programmes:

1. Critical Animal Disease Control Programme
   - Peste des Petits Ruminants Eradication Programme (PPR-EP)
   - Classical Swine Fever Control Programme (CSF-CP)
2. Establishment and Strengthening of Veterinary Hospitals and Dispensaries (ESVHD) – Mobile Veterinary Units (MVU).
3. Assistance to States for Control of Animal Diseases (ASCAD).
4. Activities requiring effective linkages - Vaccine and Vaccination.
5. Animal Identification.
6. Publicity and awareness
7. Sero-monitoring, sero-/ clinical surveillance, Vaccine testing etc.
8. Convergence of components of LH&DC and NADCP

c) The State Implementing Agency shall follow the New LH&DC scheme Guidelines as approved by the Government of India strictly.

5. The Director of Animal Husbandry, A.P., Vijayawada shall take necessary action in the matter accordingly.
